

RHODE ISLAND LIBRARY ASSOCIATION

RESOLUTION ON THE USA PATRIOT ACT AND RELATED MEASURES THAT INFRINGE ON THE RIGHTS OF LIBRARY USERS

WHEREAS, The Rhode Island Library Association affirms the responsibility of the leaders of the United States to protect and preserve the freedoms that are the foundation of our democracy; and

WHEREAS, Libraries are a critical force for promoting the free flow and unimpeded distribution of knowledge and information for individuals, institutions, and communities; and

WHEREAS, The Rhode Island Library Association holds that suppression of ideas undermines a democratic society; and

WHEREAS, Privacy is essential to the exercise of free speech, free thought, and free association; and, in a library, the subject of users' interests should not be examined or scrutinized by others; and

WHEREAS, The provisions of the USA PATRIOT Act, the revised Attorney General Guidelines to the Federal Bureau of Investigation, the Homeland Security Act and other related laws and regulations expand the authority of the federal government to detain and investigate citizens and non-citizens, to engage in surveillance of citizens and non-citizens, and to threaten civil rights and liberties guaranteed under the United States Constitution and Bill of Rights; and

WHEREAS, These provisions make it easier for law enforcement agents to engage in electronic surveillance and data collection for library users who are not suspected of any crime, and whose use of computers to browse the Web or access e-mail, may be under government surveillance without their knowledge or consent; and

WHEREAS, These new federal laws and policies disproportionately affect individuals who cannot afford or otherwise do not own their own computers and must rely on public access computers in libraries

THEREFORE, BE IT RESOLVED, That the Rhode Island Library Association opposes any use of governmental power to suppress the free and open exchange of knowledge and information or to intimidate individuals exercising free inquiry; and, be it further

RESOLVED, That the Rhode Island Library Association encourages all librarians, library administrators, library governing bodies, and library advocates to educate their

users, staff, and communities about the process for compliance with the USA PATRIOT Act, and about the far-reaching dangers to individual privacy and the confidentiality of library records resulting from the USA PATRIOT Act, the Homeland Security Act, and related measures; and, be it further

RESOLVED, That the Rhode Island Library Association urges librarians everywhere to defend and support user privacy and free and open access to knowledge and information; and, be it further

RESOLVED, That the Rhode Island Library Association will work with other organizations, as appropriate, to protect the rights of inquiry and free expression; and, be it further

RESOLVED, That the Rhode Island Library Association will take actions as appropriate to obtain and publicize information about the surveillance of libraries and library users by law enforcement agencies and to assess the impact on library users and their communities; and, be it further

RESOLVED, That the Rhode Island Library Association urges all libraries to adopt and implement patron privacy and record retention policies that affirm that “the collection of personally identifiable information should only be a matter of routine or policy when necessary for the fulfillment of the mission of the library” (*ALA Privacy: An Interpretation of the Library Bill of Rights*) and, be it further

RESOLVED, That the Rhode Island Library Association considers many sections of the USA PATRIOT Act to be a present danger to the constitutional rights and privacy rights of library users and urges the United States Congress to: 1) provide active oversight of the implementation of the USA PATRIOT Act, the Homeland Security Act, the revised Attorney General Guidelines to the Federal Bureau of Investigation; and other related measures; 2) hold hearings to determine the extent of the surveillance on library users and their communities; and 3) repeal the sections of these laws and the guidelines that threaten or abridge the rights of inquiry and free expression; and, be it further

RESOLVED, that the Rhode Island Library Association supports the actions of the American Library Association as outlined in the American Library Association Resolution on the USA PATRIOT Act and Related Measures, and be it further

RESOLVED, That this resolution be forwarded to the President of the United States, to the Attorney General of the United States, to Members of both Houses of Congress, to the library community, and to others as appropriate.
